Preface

Chandpur Govt. Mohila College (CGMC) has been pioneering women education since its birth, 1964. It is the best women college in Chandpur and one of the best colleges in the country. The college has achieved a wonderful name and fame not only in academic sector but also in co-curricular activities. We have around 3500 students studying at present in our college at Higher Secondary and undergraduate level. The college affiliated with National University offers undergraduate courses on Bangla, English, History and Social Work. Knowledge is power, believing in the motto Chandpur Govt. Mohila College is spreading knowledge among the students and making them eligible for the competitive world.

Chandpur Govt. Mohila College gives supreme importance in celebrating and observing national occasions and programs to make its students culturally spirited and nationally proud. We usually observe Victory Day, Independence Day, Martyrs Day, Intellectuals day, National Mourning Day etc. with grave significance.

We have taken a number of initiatives to commemorate Mujib Year, the hundred birth anniversary of Bangabandhu Sheikh Mujibur Rahman, the father of the nation. We have established 'Bangabandhu Book Corner', arranged a book exhibition with books on Bangabandhu and the books written by Bangabandhu, spreaded the immortal sayings by Bangabandhu on poster and banner, planted 100 trees inside and around the college etc.

Chandpur Govt. Mohila College is absorbed not only in pioneering women education and culture but also in making people aware of different social and national issues. During Covid-19, a new threat to the world Chandpur govt. Mohila College has taken a number of initiatives to make people aware regarding health issues. We have taken several programs to distribute mask and hand sanitizer. We have also provided the distressed people with monetary support. We hope Chandpur Govt. Mohila College will continue its beneficiary activities according to the demand of the nation.

Prof. Md. Masudur Rahman

Principal

Chandpur Govt. Mohila College, Chandpur.

Chapter two is the overview of the college (Institutional and Academic): Chandpur govt. Mohila College was established by some renowned people of this town in the year 1964. This college is situated in the heart of a beautiful town named Chandpur which is famous for Hilsa fish. Our academic activities run with the purpose of modern objectives and goal of secondary and higher secondary level of education. Our objectives are to promote globally competent citizens who are not only skilled and employable but also morally upright and spiritually inspired. This college offers courses on higher secondary level from 1964 and honors' courses from 2006-2007 academic years. There are almost three thousand and five hundred females studying at the college at Higher Secondary and undergraduate level.

The vision of the college is creating a distinctive environment of excellence in education with humane values and social commitment. The missions are to develop knowledgeable citizens with multidisciplinary competencies; and to provide life skills needed to enjoy a successful career, home and society.

Total area of the land is 2 acres with one play ground. The Honors' subjects are Bangla, English, History and Social Work. Total sanction post are 35 (thirty five) and now working about 40 (forty) teachers. Our college directly runs under the direct supervision of Directorate of Higher and Secondary Education by

delegating power to the principal. There are 25 (twenty five) supporting staffs also working in this institution.

Infrastructure facilities of the college are Classroom (17), Students Hostel (2), Computer Lab (2), Science Lab (4), Auditorium (1), Library (5), Common Room (1), Teachers Room (1), Toilet Facilities (32), Internet Access Facilities, etc.

Chapter three is the highlights of the year: Due to Covid-19 situation all kinds of co-curricular competition could not be held directly as per Annual Performance Agreement (APA), but most of items have been completed and online competitions were also held and our college students participated. These are essay competition, art competition, ICT quiz competition, etc, on the national and international occasions. The students of our college won prizes at different cultural events at Upazilla, District and national level.

Chandpur Government Mohila College organized a number of programs last year. Some of the programs are as follows: Seminars and workshops, Celebration of Eid-e-Miladun-nani, Swarashati Puja, Observation of Marty's Day and International Mother Language Day, Bangabandhu Book Corner, Observation of Historic 7th March 2021, Annual Guardian Meeting, Poet Kazi Nazrul Islam birth day, World Autism Day, etc.

Our college takes initiative to implement a subproject named institutional development grant under the umbrella of College Education Development Program (CEDP). The overall objectives of IDG sub project are to upgrade and modernize teaching and learning environment and to modernize the infrastructure of this college. Total IDG allotment for 2021-2022 was 7950,633.44 (Tk. Seventy Nine lakh Fifty thousand Six hundred thirty three and forty four paisa only) and total expenditure was 7950,633.44 (Tk. Seventy Nine lakh Fifty thousand Six hundred thirty three and forty four paisa only)

Chapter four is the teacher development: Most of our teachers have received foundation training from NAEM after joining the service. Most of our young or junior teachers have received training on ICT related courses. They are able to use multimedia to conduct classes. We have arranged In House Training and workshops on NIS, Digital Content, etc. We also conducted an In House Training for the staffs of the college on service rules, misconduct and discipline.

Chapter five is the Budget and Finance (2021-22): Total allocation Tk. 35238000/- and total expenditure Tk. 35238000/- of the annual revenue budget. Total Income is tk. 18409561.68 from student tuition fees and total expenditure is tk. 9062261.12. From the IDG fund total allocation is tk. 7950,633.44 and total expenditure is tk. 7950,633.44. We have made an internal audit committee with two members. They made internal audit at the four of our honors department as well as at the main office of the college. But, the last govt. audit was done in 2015-2016 fiscal year.

Chapter six is the concluding remarks: We hope we will be able to achieve the key IDG targets for the next year of total twelve packages among them ten for goods and two for works. Our college has procured books and furniture to enhance library facilities to the students. We also established a modern class room. We also established a modernized computer lab to serve the student's needs. We will arrange a series of training, seminar to enhance student's soft skill.

Key Challenges and Risks for the College: We identified many challenges and risks of our college. We are listing some of the most important challenges. They are as follows:-

- ♣ There is a lot of pressure for increasing seats. Many guardians would like to get their daughter admitted into this college as it is a specialized institution for women.
- ♣ It is essential to create post for teacher to conduct courses and create permanent post for business studies faculty.
- ♣ Total land area of this exclusive women college is about 2(two) acres that is not sufficient for this institution. We are unable to take construction plans due to lack of land. But our government outlook is highly positive.
- ♣ Our small play ground is not enough for about 3500 (three thousand and five hundred) students where regular assembly becomes difficult. Even any sport programs are also quite hard to conduct. So it is important to extend our playground.
- ♣ Science building is not suitable for conducting academic activities.

- ♣ There are no transports for communication of this college. We need a micro bus for emergency activities such as bringing question papers, depositing answer scripts, attending meetings, meeting medical purposes etc.
- ♣ The boundary wall of this college should be rebuilt urgently. The north – western part of the boundary is tilted. It is important to repair it immediately.
- ♣ There is no residential opportunity for teachers as well as staffs. We need a dormitory and quarters for them.
- ♣ It is important to purchase a motor car for the principal.

Recommendations for the College are:

- ❖ The pressure for increasing seats can be met up by increasing seats by the concerned boards.
- ❖ Our generous government can sanction post and deploy required officials to the college.
- ❖ By acquiring private land we can expand our campus. There is a private land lied on the western part of our college that can be suitable to acquire.
- ❖ We urge our concerned authority to build a new science building.
- ❖ We urge government to grant us fund to procure vehicles for common purpose and exclusively for our honorable Principal.
- ❖ Educational Engineering Department should take initiative to repair the boundary wall immediately.
- ❖ By taking plan for housing facility our government can solve dormitory problem of our teachers and staffs.

4.2 Teacher Professional Development Program

Professional development is a requirement for all of our teachers. By getting this kind of training they can enhance their skill and embitter their teaching and improve the class room environment. Most of our teachers have received foundation training from NAEM after joining the service. Most of our young or junior teachers have received training on ICT related courses. They are able to use multimedia to conduct classes. In the following schema we are presenting a picture of the training taken by our teachers in 2021-2022 session.

Name of the Program	Number of Teachers who Participated in the Program	Comments
Training on Procurement Rules & Acts (5-days)	01	IDG funded
Teaches training Enhanced Continuing Professional Development (ECPD)	03	CEDP & Nottingham University

We have arranged In House Trainings on ICT, Creative Question, Curriculum Dissemination, Presentation Skill, and Digital Content. We also conducted an In House Training for the staffs of the college on service rules, misconduct and discipline.

4.3 Highlights of the Teacher Development Activity of the Year

Due to pandemic there is no formal training arranged for the faculty members. But, they are gathering knowledge by attending different online activities and by reading books and journals.

Chapter 5: Budget and Finance (2021-22)

5.1 Summary of Annual Budget and Expenditure

The college runs its financial activities according to annual budget. The sources of the fund for the budget are two in total: the largest part of it comes from govt. revenue allocated as our demand and a little part comes from the students' tuition fees and some other related fees. Details are given in annexure-3.A & 3.B.

Non Developmental (Revenue)	Total allocation	35238000.00
	Total expenditure	35238000.00
Developmental (Tuition Fees)	Total Income	18409561.68
	Total expenditure	9062261.12
IDG Fund	Total Income	7950633.44
	Total expenditure	7950633.44

5.2 Summary of Annual Revenue

Annual revenue from student tuition fees which has been described in 3.A & 3.B is very nominal in our college. There is no income generation from other sources here. The tuition fee for the students of HSC level has been waived by the government. On the other hand, the students of honors level provide a little amount of fee to the college specified fund whereas the biggest part of that fee is transmitted to National University.

5.3 Status of Annual Audits

We made an internal audit committee with three members. They made internal audit at the four of our honors department as well as at the main office of the college. But, the last govt. audit was done in 2015-2016 fiscal year. The details of the last government audit have been attached in Annexure 7.

Chapter 6: Concluding Remarks

6.1 Overall Assessment of the Last Year and Key Targets for the Next Year

Due to Covid-19 pandemic we could not complete all the targets we were to finish in the last fiscal year. But, we are pleased with what we have done. We hope we will be able to achieve the key IDG targets for the next year.

6.2: KEY Challenges and Risks for the College

We identified many challenges and risks of our college. We are listing some of the most important challenges. They are as follows:-

- (1) There is a lot of pressure for increasing seats. Many guardians would like to get their daughter admitted into this college as it is a specialized institution for women.
- (2) It is essential to create post for teacher to conduct courses and create permanent post for business studies faculty.
- (3) Total land area of this exclusive women college is about 2(two) acres that is not sufficient for this institution. We are unable to take construction plans due to lack of land. But our government outlook is highly positive.
- (4) Our small play ground is not enough for about 3500 (three thousand and five hundred) students where regular assembly becomes difficult. Even any sports programs are also quite hard to conduct. So it is important to extend our playground.
- (5) Science building is not suitable for conducting academic activities.
- (6) There are no transports for communication of this college. We need a micro bus for emergency activities such as bringing question papers, depositing answer scripts, attending meetings, meeting medical purposes etc.
- (7) The boundary wall of this college should be rebuilt urgently. The north – western part of the boundary is tilted. It is important to repair it immediately.
- (8) There is no residential opportunity for teachers as well as staffs. We need a dormitory and quarters for them.
- (9) It is important to purchase a motor car for the principal.

6.3 Recommendations:

(1) The pressure for increasing seats can be met up by increasing seats by the concerned boards.

(2) Our generous government can sanction post and deploy required officials to the college.

(3) By acquiring private land we can expand our campus. There is a private land lied on the western part of our college that can be suitable to acquire.

(4) We urge our concerned authority to build a new science building.

(5) We urge our government to grant us fund to procure vehicles for common purpose and exclusively for our honorable Principal.

(6) Educational Engineering Department should take initiative to repair the boundary wall immediately.

(7) By taking plan for housing facility our government can solve dormitory problem of our teachers and staffs.
